Halloween 2020

For residents planning on celebrating Halloween on Saturday, October 31st, the Town of South Windsor is recommending that you follow safe and healthy tips to participate in Halloween activities that will help limit the risk of exposure to COVID-19. Any Halloween social gatherings are subject to the current Department of Economic and Community Development guidelines (subject to change):

- Gatherings at private residences are capped at 25.
- Outdoor private gatherings capped at 150 people.

It is recommended that you follow the Centers for Disease Control and Prevention (CDC) guidance for trick or treating and other Halloween activities. To make trick-or-treating safer:

- Avoid direct contact with trick-or-treaters.
- Give out treats outdoors, if possible.
- Set up a station with individually bagged treats for kids to take.
- Wash hands before handling treats.
- Wear a mask.
- Stay at least 6 feet away from others who do not live with you.
